

GROUP TASTING AND TOUR GUIDELINES

Amphora is a very small, hands-on, winery. In order to provide the best experience for our guests, the following policy applies to tastings by **groups of eight to fifteen people**:

- ❖ **Prepaid reservations are required.** The fee is \$25 per person (non-refundable) due at the time the reservation is requested. Appointments will be confirmed after payment is received, and this agreement is signed and returned to Amphora Winery. Groups of 16 or more are accommodated as space allows, for \$30 per person.
❖ **For our Wine Club members:** member and one guest's fees are waived.

Group tastings are conducted in the cellar, accompanied by light nibbles, and hosted by the winemaker/owner or dedicated staff member. Flights are approximately five wines, and include special selections.

To request a **group** tasting/tour at Amphora please fill out, sign and return, via email, fax, or mail, the following agreement:
